workshop on Environmental Law and Sustainable Development

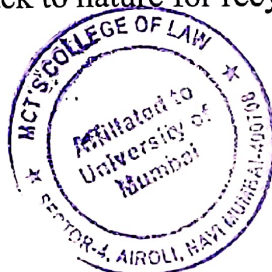

6th September 2018 TO 7th September 2018

A workshop had been held at MCT COLLEGE OF Law on Environmental Law and Sustainable Development. This Workshop was enlightened by the likes of Vinod Kumar Menon Journalist who is renowned for his research and expertise over protection and preservation of environment. The occasion was also graced by the presence of Prakash Baviskar Builder . The function started with lighting ceremony followed by an excellent speech from Dr.UK Nambiar Principal of MCT Law College.. He very specifically focused on how people as citizens can contribute to the progress of increasing the environmental cover; simple measures such as planting trees; segregating and ensuring waste management; using drinking water sparingly, etc. His down to earth attitude and humbling personality won many applauds.

FIRST DAY 6th September 2018

In the second session Vinod Kumar Menon Journalist discussed and explained in detail about the importance of protecting our environment. According to him, learning is a continuous process and the one who stops doing so is bound by the circle of ignorance. He also mentioned how India as a tropical country should maintain its audacity in preserving the environment and said that simple efforts from the end of youth can surely help in achieving this goal in the long run. 'NISARGRUNA'- an initiative to reuse waste has been campaigning at the behest since the last 40 years. This initiative aims at generating power from waste thereby making waste a useful component to be put into use than being thrown away. He also added that waste is not waste but it is the combination of by products which should be given back to nature for recycling.

The audio visual on 'NISARGRUNA' showed impressive and easy to apply techniques to make proper installations for treating waste efficiently and effectively right from buildings to large scale industries.
